

# New text notifications coming soon for Hamilton Customers.

Did you know that you can receive real-time text message updates from Hamilton Utilities just by having a text enabled number tied to your account. Updates include information during power outages, when leaf collection will start in your area, when the street sweeper will clean your street, as well as other important city updates. You can opt out at any time.

## Update today:

Online at: <https://gis.hamilton-oh.gov/apps/textupdate>

Note: This Form is only Compatible with Google Chrome and Firefox.

By phone: 513-785-7550

Note: Have your utility account number ready. Select option 1 then option 2 for "update phone number"
